

Pesticides: Example record keeping form

Note: It is not compulsory to use this format. If you use a short name for something in filling out this form, you must write the full name somewhere else such as a book or farm diary.

Pesticides application record sheet. Record the name, address and contact details of the owner or occupier of the land where the pesticide was applied:										
 Date, start and finish time	 Operator details	 Crop or place where pesticide was applied	 Type of equipment used	 Name of pesticide used	 Amount of concentrated product used	 Total quantity applied	 Size of block sprayed	 Order blocks were treated	 Estimated wind speed and direction	 Other weather details
	Name, address and contact details	Also record spraying of fallow land and any pesticides used in and around crops*		Record all the pesticides you used.	If you mixed two pesticides together, you can record both on the same form.	Total amount of water, oil or other things mixed with concentrated product.	Refer to your farm map**	Write which block was sprayed first, second, third, etc.	If these conditions change significantly during spraying then also record the changes.	Only if they are specified on the label or Australian Pesticides and Veterinary Medicines Authority permit.
									Speed	Direction

* It is not compulsory to record the pest or disease but it is recommended as part of good operating practices.

** A farm map is recommended because it would make recording this information easier.
