

To those who have the ability to protect

8/7/18

To those who will be remembered as the ones that said

NO.

I am angry - I am sad - I am scared - mostly scared of a future without forests.

I am a creature. a creature that needs clean air  
fresh water, a healthy balanced environment.

as all creatures do. you and me.

Please protect Corunna lake forest and all lands inbetween. for you, and for me for all, great and small, now and in the future.

All of us and the lands are connected.
