**Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?**

All of it -

---

**Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?**

disgraceful

---

**Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?**

NO - it's whole sale slaughter of what's left = you should be ashamed of yourselves

---

**Q21. General comments**

Disgraceful - completely appalling. It's time you entered the 21st century and adopted protocols in line with the rest of the world - take a look at the UN's Strategic Plan For Forests 2030. You're an embarrassment - to all Australians.
