Any logging of our state or natural forests.

Q19. **What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?**

They need to become law to stop logging

Q20. **In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?**

I would hope so

Q21. **General comments**

Stop logging
